LEADER PRESTIGE

Wall Frames | Landscape

LP-L is the Leader Prestige wall frame in a landscape configuration.

The LP-L is offered in five profile height options: 94, 124, 168, 230 and 320mm with endless length options.

These frames' insert heights are designed to fit the following DIN standard paper sizes: A7-A3.

The Leader prestige features unique rounded micro snap side profiles, allowing a fast and simple insert change without compromising its elegance. The side clips are offered in 5 spectacular colored anodized finishes: Silver, gold, black, red, and blue.

The Leader Prestige unique elegant appearance, is provided by the use of shiny stainless steel machined disc caps instead of plastic end caps.

All presented height options are commonly used sizes; however, customized widths are available upon request.

A variety of insert materials such as printed paper, ADA in photopolymer, engraved PVC, etched thin aluminum, silk printed plaques (and many other flexible inserts up to 1.6mm thick) can be used to create endless designs.

The smooth surface of the LP-L profile is suitable for a direct application of vinyl graphics.

The installation is very simple. A double sided self-adhesive tape can be applied to the back of the frame or concealed screws can be drilled through the sign profile.
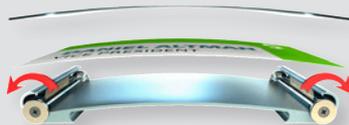

1

Five standard profile height options: 94, 124, 168, 230 and 320mm.

2

Side clips are offered in 5 colored anodized finishes: silver, gold, black, red and blue.

3

Swivel side snap clip profiles outward to remove inserts

H	Sign Unit Height - mm
W	Sign Unit Width - mm
CF	Clips Finish **S** = Silver anodized **G** = Gold anodized **R** = Red anodized **BL** = Blue anodized **BK** = Black anodized

The Leader Prestige features a special channel shape design on the backside of the profiles that allows the use of concealed back plates. This special feature helps you create endless designs like: shaped company logo plates as a background, room numbers, etc. This feature can also be used for special hidden installation solutions.

4

A decorative shaped background plate inserted in to the profiles' built in channel and locked with concealed screws.

5

Installation with concealed screws drilled through the sign profile.
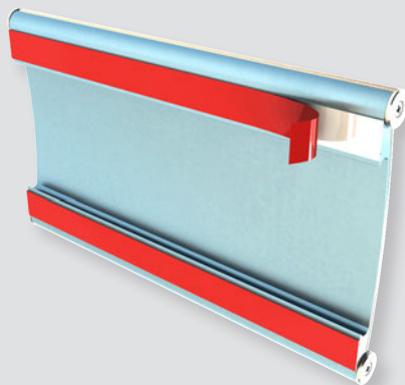

6

An easy installation using double sided self-adhesive tape on the back
